Outdoor activities always depend, to some extent, upon the weather, but we hope to offer a varied day with a chance to have a go at orienteering and rock climbing (on our indoor climbing wall) as well as our simulated cave system, ropes/assault courses and zip wires.

Is there any risk?

All Outdoor Adventurous Activities are supervised by highly skilled and nationally qualified White Hall staff. Activities are introduced at YOUR level, at carefully chosen sites, using all necessary safety equipment, which is provided by the Centre. White Hall conforms fully to the requirements of the 'Adventure Activities Licensing Authority' and has a licence. However, you must understand that adventure activities, by their nature, involve an element of risk, which cannot be totally eliminated. Having said that, White Hall has an excellent safety record.

White Hall's location

White Hall is 3 miles north of Buxton on the A5004, Buxton – Whaley Bridge road. Access to the centre from the road is by a single track driveway of a few hundred metres in length with a couple of passing places, so there may be some waiting required to get in or out. There is also a lane from Elnor Lane, Whaley Bridge and a lane from Combs village which takes you to the centre's back gate.

On arrival at the centre, children should go to the front door where our staff will be waiting to welcome them.

Our staff will keep a register of arrivals. At the end of the day can we ask you to sign your child/children out so we know that each child has been collected safely.
