

Parents' Evening and White Hall Visit Information:

These notes provide essential information for parents to plan and prepare for the upcoming Parents' Evening, offering insights that are equally relevant for students. A PowerPoint Presentation is available upon request.

Preparing for White Hall:

White Hall is designed for individuals to embrace new experiences, have fun, feel challenged, and overcome fears. It encourages critical thinking, teamwork, and decision-making skills applicable in school, at home, and throughout life.

White Hall Expectations:

Our goal is for everyone to have a safe and enjoyable time at White Hall. To ensure the well-being of all course members, please share the following expectations:

- Be kind, respectful, and friendly.
- Care for each other and others' property.
- Maintain cleanliness and tidiness.
- Follow instructions and act sensibly.
- Adhere to specific rules, e.g., no entry to restricted areas.
- Respect quiet hours after lights out.
- Avoid bringing food into dormitories in case of severe allergies.

Supervision:

- White Hall staff lead activities and ensure safety.
- School staff handle discipline and general supervision.
- Free time fosters independence, promoting relationship-building and life skills.
- During free time, students have access to designated areas and activities.

Activities and Daily Routine:

- Course program outlines activities and daily routines
- Changes may occur for safety, weather conditions, or group needs.
- Fire alarm practice on the first day

Equipment:

A kit list can be found on our website, covering essentials e.g. warm layers, footwear, and hygiene items. Encourage students to pack their bags and bring a surplus of essentials.

Tuck Shop:

Consider setting a spending limit for the tuck shop. Change is appreciated for purchasing sweets and souvenirs.

Accommodation:

- Main house accommodations with shared facilities
- Dormitories of varying sizes
- Students share toilets and washroom facilities
- Showers are gender-segregated
- Unpack and make beds upon arrival

Mealtimes:

- Three meals a day with varied options.
- Encourage trying new foods.
- Special diets accommodated with prior notice.
- Mealtimes follow a 'family style' service, promoting good table manners.

Security:

- External doors are locked, accessible only from the inside.
- CCTV monitors external entrances.
- Overnight entrance gates to the grounds are locked.

Friends of White Hall Centre Charity:

'The friends of White Hall Centre' charity supports White Hall in providing inspiring outdoor and adventurous activities. For more information on how you can get involved to support their work please visit:

<https://www.friendsofwhitehallcentre.com/index.htm>

Considerations:

- Define the policy on students phoning home during their stay.
- Caution against inappropriate use of mobile phones.

For further assistance with Parents' Evening, feel free to contact us.
