Indoor Cave

The indoor cave is made up of lots of different tunnels that all connect together. I can crawl through the tunnels and explore them with my group.

Indoor Cave

I will walk to the indoor cave with my group.

There are benches inside that I can sit on.

My instructor will tell me to take my shoes off. There is carpet inside so I won't get dirty feet.

Indoor Cave

My instructor will tell me how to stay safe in the cave.

My group will be given torches and I can share with a friend.

I can crawl through the entrance into the a big room.

Indoor Cave

I can explore the cave.

I will fit through all the tunnels.

I can do some challenges and play games with my friends.

Indoor Cave

When we have finished, I will put my torch back in the box and put my shoes on.

It's a great achievement to be involved in the session.
