

## Brief Description

Zombie run is a fun wide game that includes four different roles, each role has a certain objective. For example survivors have to get to a safe zone to survive the infection from the zombies.

## PSHE and Wider Learning Outcomes

- Working as part of a team
- Physical health
- Problem solving
- Co-operation

## Session Objectives

By the end of the session, students will:

- Be able to work effectively in a team
- To be able to adapt to different roles and objectives
- Be able to achieve the objectives of different roles e.g. zombies/survivors

## National Curriculum Outcomes

- **PE:** take part in outdoor and adventurous activity challenges both individually and within a team
- **PE:** play competitive games
- **PE:** enjoy communicating, collaborating and competing with each other

## Progression / Differentiation

With this activity you can control who does which roles to suit each individual. With this activity there is a role for all abilities so everybody can take part. There are roles which do not involve much moving around so this would be ideal for somebody with limited mobility.

## Vocabulary

Listening/understanding, communication, tactics, sneaking, team role
